Mr. A. Wilson,

19<sup>th</sup> February 2013.

Dear Mr. Wilson,

I have received the cheque for £500, sent to our Service by the Harrold Calvados Society.

I would like to thank you very much for this invaluable and very generous donation. I understand from Mr. Vyvyan's wife that it was the result of discussions you had with him, as he felt our Service had been able to help he and his family recently, and I have already written to thank him.

Advocacy for Older People is a small and established charity working throughout Bedfordshire. We receive long-standing financial support from the local statutory authorities but have also always raised additional funds for expansion, development projects and to sustain our independent status. Every donation is valuable and every penny well spent towards our help for local older people. The money from your Society will go towards our costs for work with victims of elder abuse. I have enclosed one of our Service leaflets for your information.

Thank you very much again to you and your members for the donation.

Yours sincerely,

Gail Shanahan  
Chief Officer.
