14<sup>th</sup> February 2013

Dear Mr Wilson,

On behalf of The Elisabeth Curtis Centre, I would like to thank the Harrold Calvados Society for your incredibly generous donation of £500. I opened your letter whilst the helpers from one of our sessions were having a well earned tea break, and it certainly made our day, and prompted a chorus of "Thank you"s from all of them!

This is a wonderful gift which will help to make a difference to the lives of the disabled children and adults whom we support. As you may know, the centre receives no government funding and relies entirely on the generous support of individuals and groups such as yourselves to provide our therapeutic riding sessions. Your donation will help to fund the upkeep of the centre, including the care of our eight ponies and the maintenance of the centre's buildings and land, without which our work would not be possible. We also rely on our wonderful supporters for irregular costs which crop up from time to time, including the cost of sending some of our riders and ponies to the RDA Regional and National Championships, days which mean a lot to the riders, their families and our volunteers.

Once again, thank you very much for your donation.

Yours Sincerely
