Our ref: AB/IMOThanks/16355&16177

Dear Mr Wilson

I am writing to acknowledge receipt of the generous £500.00 donation in memory of David Sharp.

In normal circumstances I would have written to David's family to inform them of the donation, but unfortunately although we have had donations in memory of him previously we do not have contact details for the family. Please pass on our regards if you are in contact with them, contributions such as these make a very real difference to our work and help ensure that we remain at the forefront of research and development in world neurology.

We would like to keep you up-to-date with our work through our twice yearly newsletter, The National. If you would prefer not to receive this please do let us know.

The Hospital is most grateful to you for thinking of us.

With kind regards.

Yours sincerely,

Alexandra Bacon
